The affiliation is granted subject to compliance of other conditions as furnished hereunder from the date of issuance of this Order.

1 These orders shall be in force for a period of one academic year as indicated in the subject, if the College is permitted to function in rented building. The management should renew their affiliation in each academic year until permanent affiliation is granted.

2 The University has the authority and reserves the right to withdraw the affiliation, at any point of time, on any action of the Management / College which damages or causes disrepute to the Government / University and other instrumentality of the State / Central Government.

3 The Management / College shall fulfill the deficiencies within a period of three months and send compliance along with documentary evidence to the University, failing which, the University has authority to withdraw its affiliation.

4 The management should obtain prior approval from the concerned authority for establishment of the College and offering courses etc. before applying for the affiliation,failing which the affiliation accorded is deemed to be cancelled without any further notice.

5 The management shall follow the rules issued by the Government / Competent Authority from time to time on all aspects related to the administration of the college.

6 The staff appointed should be qualified as per the rules and regulations issued by UGC or concerned Body.

7 Infrastructure like Buildings, Land, Playground, Lab equipment, Library, Furniture etc., should be well maintained for the effective functioning of the College.

8 The balance of Corpus Fund, if applicable, should be deposited as per rules in force.

9 The management should not change the Programs / Combinations, intake and media etc. sanctioned in these proceedings, failing which, such action will be construed as tampering of records for which the University will initiate necessary legal action against the Management.

10 The Management shall neither make any excess admissions without approval of the concerned competent authority and the university nor make admissions without affiliation of the University

11 The Management shall publish prospectus of its programs offered and all other institutional details along with fee prescribed.

12 If the management is permitted to start the College in a rented building, they should construct permanent building for the College in the same mandal within a period of five years.

13 The accommodation shown for the College should not be used for any other purpose other than running the college for which permission is given by such Body and the University.

14 The management should not make any claim from the Government or instrumentality of the Government for any grant-in-aid either now or in future, if the College is offering unaided Programs.

15 The Management (a) should not shift the College to any other place; (b) should not change the name of the College, (c) should not transfer the management of the College and (d) should not convert Women's College to Co-Education and vice-versa (e) shall not mortgage its assets without prior permission of such Body and the university.

16 The management of the College shall set up a grievance and complaints cell as per the Supreme Court / UGC guidelines for dealing with sexual harassment / ragging related cases and other grievances etc.

17 The management should establish a website for the college and keep all the necessary academic and administrative information in the website.

18 The University reserves the right to conduct surprise checks at any time. The University also reserves the right to cancel affiliation of the college at any stage, if it is found that the documents produced by the management are false, interpolated and improper and the management is not able to run the college as per the norms of the Government and academic stipulations of the University, apart from any defaults/ irregularities committed which would attract legal proceedings under Law.

19 The Management or any other person of the Management of the College shall not collect any capitation fee and the same is prohibited as per AP Capitation fee Act 1983.

20 The Management shall not allow malpractices in the examination and the same is prohibited.

21 The Management shall ensure the non-availability of carbonated beverages and junk foods around 200 meters of the premises.

The affiliation is granted subject to compliance of other conditions as furnished hereunder from the date of issuance of this Order.

1 These orders shall be in force for a period of one academic year as indicated in the subject, if the College is permitted to function in rented building. The management should renew their affiliation in each academic year until permanent affiliation is granted.

2 The University has the authority and reserves the right to withdraw the affiliation, at any point of time, on any action of the Management / College which damages or causes disrepute to the Government / University and other instrumentality of the State / Central Government.

3 The Management / College shall fulfill the deficiencies within a period of three months and send compliance along with documentary evidence to the University, failing which, the University has authority to withdraw its affiliation.

4 The management should obtain prior approval from the concerned authority for establishment of the College and offering courses etc. before applying for the affiliation,failing which the affiliation accorded is deemed to be cancelled without any further notice.

5 The management shall follow the rules issued by the Government / Competent Authority from time to time on all aspects related to the administration of the college.

6 The staff appointed should be qualified as per the rules and regulations issued by UGC or concerned Body.

7 Infrastructure like Buildings, Land, Playground, Lab equipment, Library, Furniture etc., should be well maintained for the effective functioning of the College.

8 The balance of Corpus Fund, if applicable, should be deposited as per rules in force.

9 The management should not change the Programs / Combinations, intake and media etc. sanctioned in these proceedings, failing which, such action will be construed as tampering of records for which the University will initiate necessary legal action against the Management.

10 The Management shall neither make any excess admissions without approval of the concerned competent authority and the university nor make admissions without affiliation of the University

11 The Management shall publish prospectus of its programs offered and all other institutional details along with fee prescribed.

12 If the management is permitted to start the College in a rented building, they should construct permanent building for the College in the same mandal within a period of five years.

13 The accommodation shown for the College should not be used for any other purpose other than running the college for which permission is given by such Body and the University.

14 The management should not make any claim from the Government or instrumentality of the Government for any grant-in-aid either now or in future, if the College is offering unaided Programs.

15 The Management (a) should not shift the College to any other place; (b) should not change the name of the College, (c) should not transfer the management of the College and (d) should not convert Women's College to Co-Education and vice-versa (e) shall not mortgage its assets without prior permission of such Body and the university.

16 The management of the College shall set up a grievance and complaints cell as per the Supreme Court / UGC guidelines for dealing with sexual harassment / ragging related cases and other grievances etc.

17 The management should establish a website for the college and keep all the necessary academic and administrative information in the website.

18 The University reserves the right to conduct surprise checks at any time. The University also reserves the right to cancel affiliation of the college at any stage, if it is found that the documents produced by the management are false, interpolated and improper and the management is not able to run the college as per the norms of the Government and academic stipulations of the University, apart from any defaults/ irregularities committed which would attract legal proceedings under Law.

19 The Management or any other person of the Management of the College shall not collect any capitation fee and the same is prohibited as per AP Capitation fee Act 1983.

20 The Management shall not allow malpractices in the examination and the same is prohibited.

21 The Management shall ensure the non-availability of carbonated beverages and junk foods around 200 meters of the premises.

22 The Management shall not allow the sale of tobacco products in the premises of the College and the same is prohibited.

23 The Management shall take measures to safeguard the interests of the students without any prejudice to their caste, creed, religion, language, ethnicity, gender and disability

About the Department:

The Department of Computer Science and Applications was found in 1998. A new course with Mathematics, Electronics, Internet of Things(M.E.IoT) has been introduced in the year 2020. The department is mainly concerned with development and applications of software (Desktop applications and web applications and IoT applications), with brief knowledge of hardware. Students learn fundamental concepts of computer hardware and software and become familiar with a variety of computer applications including word-processing, spreadsheets, databases, programming languages (C, JAVA etc.) and multimedia presentations.

The Department of Computer Science and Applications is a well-established and highly recognized department in terms of academics and student strength in its graduate and undergraduate programmes. The department regularly updates its curriculum in accordance with UGC guidelines as well as latest advancements in the relevant fields. Majority of the teachers are keenly and productively involved in research and pedagogical advancement. The department not only focuses on nurturing both curricular and extracurricular talent/ skills of students but also makes an endeavor to play a vital role in the applications of computers by promoting innovative work.

Vision:

- Impart quality and need based education for vertical mobility of the students for higher education and to produce graduates who possess the skills and problem-solving tools.
- To enable every student to cope up with the latest developments through effective transaction of the curricular and co-curricular aspects.

Mission:

- To impart subject knowledge through higher order learning
- To adopt innovative pedagogical strategies using ICT in teaching-learning process.

CERTIFICATE COURSE – COMPUTER HARDWARE

- To develop academic activity which is suitable for higher studies, employment and inculcate entrepreneurial skills.

CERTIFICATE COURSE – COMPUTER HARDWARE

About the Certificate Course

During the duration of the Computer Hardware course, a candidate is trained in professional skills, professional knowledge &Employability skill. In addition to this, a candidate is entrusted to undertake project work and extracurricular activities to build up confidence. The broad components covered under this subject are as below: They learn about the basics of electrical and electronic components related to hardware. They will learn to assemble and repair desktop PC with all their internal components. Trainees will be able to install different types of operating systems and all other application software, customization of OS, update device drivers, setting firewall security, do junk file removal, data backup, and data recovery techniques.

This program opens various avenues for students. After the completion of the program, as a fresher you can begin your career as:

- Can become self employed by putting up a small scale business of PC repairs
- Can opt for advanced courses in networking with this basic understanding
- Can do certification courses like CCNA
- Hardware Engineer

Professionals in this career can also opt for teaching jobs in various hardware institutions. Graduate professionals can work as freelancers in this field. These graduates can work as a lab technician in educational institutions. There are lots of job opportunities available in India as well as in foreign countries for Hardware & Networking professionals.

CERTIFICATE COURSE – COMPUTER HARDWARE

OBJECTIVES OF THE COURSE:

Upon completing this course, the learner will be able to meet these overall objectives:

- Set up and configure a new computer.
- Given a scenario, select the appropriate components for a custom PC configuration to meet customer specifications or needs.
- Install or upgrade the operating system.
- Install, configure, and manage common peripheral devices and multifunction devices/printers.
- Troubleshoot common problems related to internal components such as motherboards, RAM, CPU, and power with appropriate tools.
- Troubleshoot common computer problems that can be resolved without replacing internal components.

LEARNING OUTCOMES:

- Identify the hardware components of a computer.
- Lists the hardware components such as processor, memory, disk, main board, etc.
- Explains the features (speed, capacity, etc.)of the hardware components of a computer.
- Explains the relationships between the components of a computer and how data are transferred among the components.
- Identify the peripheral devices outside computer.
- Uses computer using input devices, such as keyboard and mouse.
- Transfers data outside the computer using output devices, such as screen and printer.
- Saves files to removable devices and loads files from removable devices.
- Connects to the Internet using network cards.
- Identify the software's running on a computer.
- Identifies BIOS and changes settings in BIOS.
- Lists jobs of operating system.
- Uses the Windows operating systems.
- Tests the performance of hardware components on some specific programs.

CERTIFICATE COURSE – COMPUTER HARDWARE

SYLLABUS

Unit-I: Fundamentals of Computers

Introduction to computers, characteristics and limitations of computer, Block diagram of Computer, Input and output devices: Keyboard and mouse, inputting data in other ways, Types of Software: system software, Application software, Memories: primary, secondary and cache memory.

.

Unit-II: Hardware Components of a computer

Components of a computer: Motherboard components, RAM slots, Processor Sockets, SATA Connectors, Specification and internal parts of Hard disk. Internal parts of DVD R/W. Switch Mode Power Supply (SMPS). Voltages and current ratings, types of display (CRT, LCD, OLED) and specifications. VGA, DV, HDMI ports.

Unit-III Assembly & Testing

Assembly and Testing: Front panel connections, Audio drivers and chipsets. Assembling a PC, Installing Operating system.

Unit-IV: troubleshooting & Software Installation

Troubleshooting of various hardware problems like SMPS failure, Display not there, missing OS or re-installation of user software or system software. CDROM, DVD lens cleaning or replacement, CMOS setup.

Driver software Downloading and installation, Antivirus Software installation, scanning for viruses, removing .tmp files from WINDOWS machine

❖ Institutional distinctiveness in specified area

The distinctiveness of Government Degree College, Ravulapalem lies in the exceptional academic experience that it offers to its students through various curricular, co-curricular, and extra-curricular platforms. The institution strives to bring holistic development to every student. The college is located in a rural area and has students from socially and economically backward classes. Most of the parents suffer from low educational attainment. Thus it poses a big challenge for the college to empower the students.

The various activities to attain the vision and mission of the college are as follows:

Academic activities: The College has made a significant drift from teacher-centric methods to student centric methods. The ICT classes have been made mandatory and thus eventually students have become familiar and comfortable with the digital mode of teaching. The use of ICT enhanced the learning experience of the student. The students can access the video lessons taught by experts anytime, anywhere that are available as a part of the Learning Management System.

Women Empowerment Cell:

Activities conducted:

The college conducts numerous activities under the umbrella of WEC. Continuous efforts are made to organize various events throughout the year that help to educate the girls' students. A need of the hour in this modern world is to be aware of different kinds of cybercrime. WEC ensures to conduct awareness programs by inviting police personnel, reputed lawyers, and social service activists to educate the students about life hacks. In addition to them, special

programmes like Save Girl Child, Beti Padavo, etc., are conducted for the promotion of gender equity. Days of importance like Girl Child's Day, Savithri Bai Phule's Birthday, and International Women's Day are celebrated in a befitting manner.

Programs like Counseling and etiquette are also conducted.

It is believed that **strong personalities build a strong nation**. The importance of Etiquette in this generation, the need of rising to the occasion as the values and etiquettes diminishing in the present generation are addressed. Classroom etiquettes, meeting etiquettes, eating etiquettes, and behavioral etiquettes are extensively imparted to the students through such programs.

WEC ensures that it reaches the girl students of other schools and colleges by observing Girl Child's Day at their campus. They are enlightened about how to protect themselves in times of crisis by using toll-free numbers 1098, 181,100,112. Slogans like "Balika ante kaadu bharam-bharathi ki bangaru haram" are made the theme of the day.

Self-defense program:

Self-defense training programs for girls are also organized to make them self-reliant. The women students of the college are given training in self-defense by qualified trainers. Masters N.GiriVenkata Ramana and M.Ganesh trained our students with many self-defense techniques. The institution deploys all its machinery towards the overall development of the women students including encouragement of

students to participate in sports and games, yoga etc., WEC staff and student members supervised the classes. The outcome is visible in their success in academics and extra-curricular activities. Ms B. Vijaya Naga Lakshmi student of B.A won the National level Bronze

medal in Kickboxing competitions held at Andhra University, Visakhapatnam. She fought against a woman student from Punjab University.

STREE HITHA:

StreeHitha embarked on molding the women students who enter its portals into powerful tools of social change by making the women students knowledgeable, strong, confident, and courageous. They are also made aware of their rights and privileges. They participate actively in rallies organized by NGOs on women's issues. The women empowerment cell also hosts a parenting awareness program for the parents of women students to make them aware of the importance of women's education in the wake of early marriages and the increased dropout rate of women students at the higher education level. Guest lectures on health & hygiene by eminent professionals, and Motivation Lectures by women achievers are some of the flagship programs organized by the WEC for STREEHITHA.

Outreach programs such as round table discussions on burning topics like Domestic Violence and Sexual Exploitation are also conducted. Women from nearby villages are also allowed to participate in such events. This gives a platform for the victims to share their experiences with domestic violence. Students are encouraged to put forward their opinions and suggestions on such issues.

Programs like anti-human trafficking are also conducted to build a society with human ethics which are fading out these days.

MOUs:

The institution has MOU with a local NGO called PARA - People's Action for Rural Awakening (PARA). The WEC organizes community outreach programs in collaboration with

the local NGO called PARA - People's Action for Rural Awakening (PARA). WEC is devoted to Health and Hygiene. As the most common saying goes “Health is Wealth”, it is believed that a strong body makes a sound mind. Thus, community-based health programs like Mega Health Camp are also arranged. In connection with promoting physical health awareness and maintaining dental hygiene, health, and eyesight, the Women Empowerment Cell of the college arranged a Mega Free Medical Camp (Dental & Eye), in collaboration with PARA-NGO, Ravulapalem.

A two-day workshop on women's issues in collaboration with PARA-NGO, and the college is also conducted. A direct interaction with the police personnel of the SI cadre is made available. The police officers shared some important directions on how to protect themselves from becoming victims of various social evils. Rescue methods and techniques are extensively discussed through various modes such as poster presentations, group discussions, etc.,

Our college is committed to empowering students in all aspects of life. It strives to change the Conservative mindset to more radical and socialist thinking. Our motto is to see that students get equipped with all the necessary skills to become good individuals and thus a healthy society.
