

## 2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process.

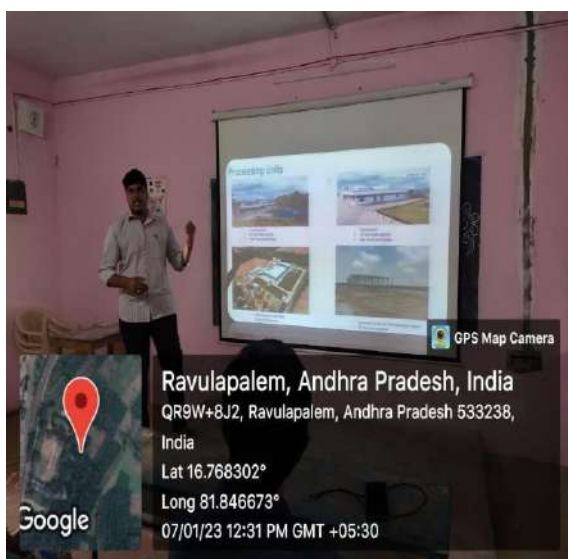

### GOVERNMENT DEGREE COLLEGE, RAVULAPALEM

Academic Year : 2022-2023

### THE DEPARTMENT OF ENGLISH

#### **Implementation of ICT in teaching and learning and Innovative Pedagogical Tools**

We, the teachers make classes as interactive as possible and encourage innovative thought and novel interpretations. Audio- Visual methodology, Google Classroom, Usage of LMS Tools and PPTs are some of the means utilize by the Department to provide experiential and participative learning.

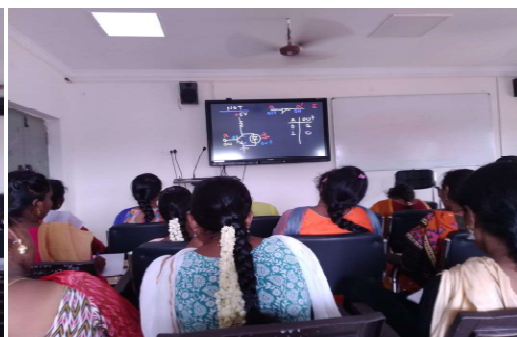

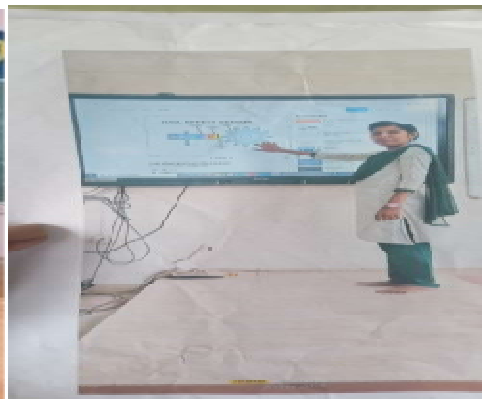

## THE DEPARTMENT OF PHYSICS

**ICT Based Teaching:** All first, second and final year students of Physics attending ICT based classes in MANA TV room and digital class rooms of the college.

**Preparation of PPTS by students**

## DEPARTMENT OF COMPUTER SCIENCE / APPLICATIONS

### Teachers use ICT enabled tools for effective teaching -learning process

The subject being Computer Science & Applications, it becomes mandatory to use ICT in the teaching process. We believe in teaching with a “Keyboard” rather than a “Black Board”. The college has 3 digital rooms and a virtual room with all the latest amenities to carry out the teaching very efficiently and effectively.

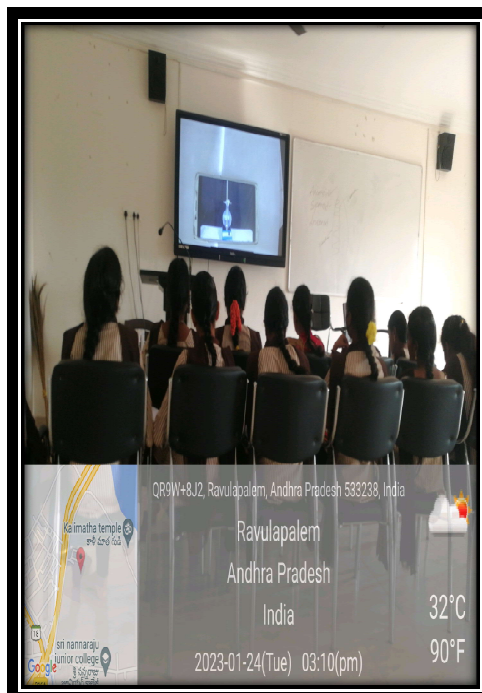

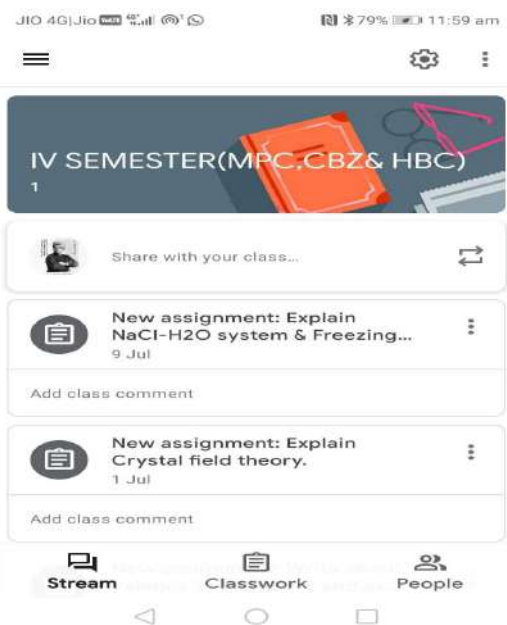

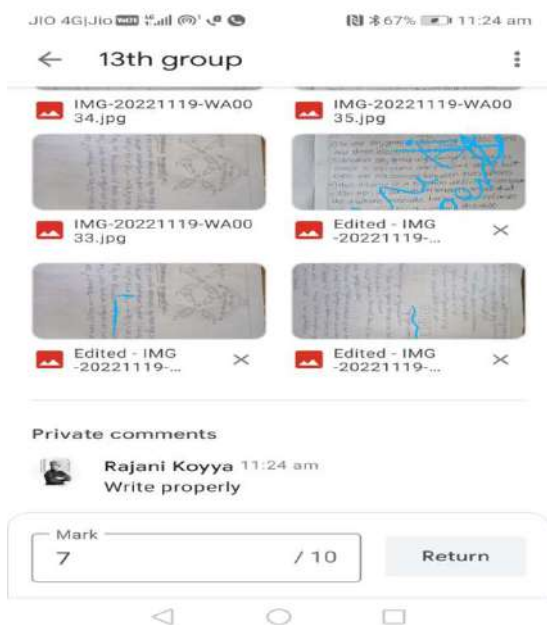

### Preparation of PPTs by students

We encourage the students to prepare PPTs especially while presenting their project work. This practice not only enhances their presentation skills but also make it more effective.

## DEPARTMENT OF CHEMISTRY

### ICT enabled teaching learning methodologies

## DEPARTMENT OF BOTANY

### ICT Based Teaching

Our subject being Botany ICT based teaching is an effective learning method in our teaching learning process.. Lecture-Demo teaching methodology is preferred over simple lectures where in there will be an active participation of students which benefits the students for better understanding of the concepts.

**Preparation of PPTs by students:** We encourage the students to prepare PPTs especially while presenting their project work. This practice not only enhances their presentation skills but also make it more effective.

## DEPARTMENT OF ZOOLOGY

### ICT MODE OF TEACHING

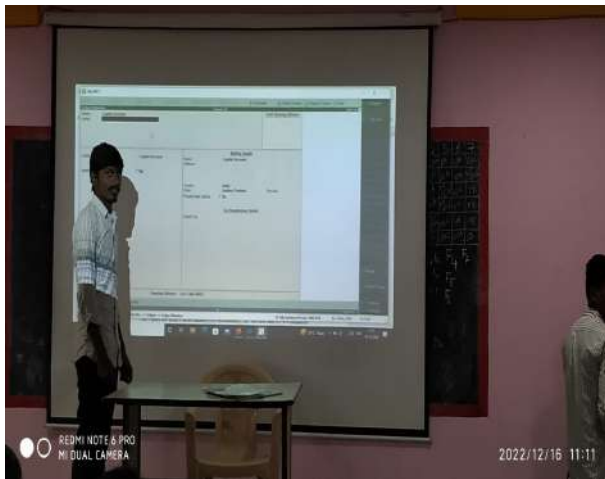

As Information and Communications Technology (ICT) can impact student learning, Department of Zoology uses a diverse set of ICT tools while teaching lessons to communicate, create, disseminate, store, and manage information.

## DEPARTMENT OF COMMERCE

### **ICT METHOD:**

This method is very effective in transacting with the student with appropriate curriculum. It focuses on the key learning outcomes of the topic and makes them understand and analyze the outcomes of the lesson. At the end a question and answer session will enhance the understanding levels of the students

## DEPARTMENT OF HISTORY

### ICT Based Teaching:

All first, second and final year History students attending ICT based classes in B.A DIGITAL class room.
