Key Note Address:

Now-a-days with the revolution in technology, it has become essential to incorporate latest ICT tools in the teaching methodology. Teachers and Students should become affluent in using the modern devices and tools to make teaching more interesting and effective. With the advent of Digitalization, there is every need for the Teachers and Students to enhance their technology skills. Teaching with the help of these tools will make a student more confident, self-reliant and successful.

There are umpteen number of frameworks developed to help the student grow as a complete professional focussing on their all round personality development such as

- Cognitive Skills
- Entrepreneur ,Leadership skills
- Communication, Inter-personal Skills
- Analytical Skills
- Thinking , Reading & Retaining Ability

This Faculty Development Program's objective is to help the teachers mould their teaching methodology in a way more appropriate to the 21st Century and get equipped with all the skills needed to impart knowledge by using various resources such as Digital Classrooms, Virtual Classes, IAMS app ,G-suite, etc.
