

GOVERNMENT DEGREE COLLEGE RAVULPALEM

(Affiliated to Adikavi Nannaya University)

GREEN CAMPUS POLICY DOCUMENT

Introduction

The community of Government Degree College Ravulapalem is committed to promote sustainability and minimizing our environmental impact. As part of our efforts, we have developed this Green Campus Policy to guide and inspire our campus community towards adopting sustainable practices and creating a greener environmentally responsible campus.

Objectives of Green Campus Policy

The primary objectives of our Green Campus Policy are as follows:

1. To ensure Indoor Air Quality by proper ventilation system.
2. To encourage sustainable transportation options like promoting walking, cycling, and public transportation to reduce greenhouse gas emissions and promote healthier commuting habits.
3. To conserve water resources by maintaining efficient water management system which includes rainwater harvesting system?
4. To educate and engage the campus community on sustainability issues, practices, and initiatives.
5. To enhance biodiversity on campus and create green spaces that provides ecosystem services.

Green campus policy

1. The college academic schedule should incorporate clean & green activity at least one hour per week.
2. Programs that inculcate aesthetic sensitivity in student community like maintaining of green space on campus should be conducted through the Eco-Club committee of the college.
3. Annual Green Audit is to be carried out from time to time.
4. Student community should participate in clean and green drives.
5. A botanical garden should be maintained to beautify the campus.
6. Medicinal plants should be planted on the campus.
7. Water bodies and distribution system is to be properly maintained on the campus.
8. National and International Days of environmental significance like World soil Day etc., should be conducted to address the environmental issues including climate change.
9. Discard all kinds of waste material such as broken furniture, unusable equipment, etc on the campus.
10. Activities under 'Swachh Bharat' will be a key component of all the community work being done by NSS and the Eco-club of the college.
11. Students should be encouraged to involve in plantation programs.

By implementing this Green Campus Policy, our college aims to create a sustainable and environmentally responsible campus that serves as a model for other institutions and contributes to a greener future for all.
